

Plagiarism

PLEASE NOTE: Those who submit PLAGIARISED work may be dismissed from the program instantly. Plagiarism in nursing is a somewhat more serious issue as the public depend on the honesty of professionals for their safety. Plagiarism is viewed as an act of dishonesty in this program. Please do not attempt to present an assignment which uses others' work without reference, or copies their text word for word throughout the assignment without quotation marks, references and page numbers. If you do not know what plagiarism is, please search it out on GOOGLE and inform yourself, so that you do not risk your opportunity to complete the program.

Please also note that WIKIPEDIA is not a reliable source of information and this, and other similar sites, should not be used in this program.
